## **HORSE HELPERS NEEDED AT FAIRGROUNDS/POLO FIELD** *Donations for Evacuated Animals Sought*

Livestock evacuated to the County Fairgrounds in Del Mar and the nearby polo field need your help.

Officials from San Diego County's Animal Services say they're looking for experienced horse people and donations of large quantities of hay. To coordinate your donation, call (858) 755-1161 ext. 2026.

The County's also asking horse owners able to return to their homes or to relocate their animals to another location, to do so as soon as possible. Facilities are overtaxed and new animals arrive as other residents are evacuated.
